AMENDMENT AFTER FINAL REJECTION UNDER 37 CFR 1.116

RESPONSE TO OFFICE ACTION

Responsive to the Office Action, dated June 27, 2002, please amend the application as follows.

IN THE SPECIFICATION

Please replace the paragraph beginning on page 10, line 26 and ending on page 11, line 4 with the following:

After the player record is stored at MCI 50, the player uses keypad 80 to select cashless play. An algorithm that is part of the software stored in read only memory (ROM) (not shown) in MCI 50 then calculates an amount to transfer from the account in MCI 50 to credit meter 70 on EGM 12. The amount transferred is a predetermined amount calculated by the algorithm; it is not selected by the player using keypad 80. The algorithm checks flags associated with the account for minimum and maximum transfer limits that are imposed at one of terminals 90, 92
